Dear Mr. Casey,

It is with great pleasure that Boy Scout Troop 99 announces that Kevan Morgan has earned the rank of Eagle Scout. Troop 99 will provide a special Eagle Court of Honor on Wednesday evening, June 9th. We would like to invite you to attend this special court as our guest of honor. If your busy schedule would not permit your attendance, I would invite you to acknowledge Kevan's achievement by return mail. As you are aware, scouting's highest rank is not easily obtained, and Kevan has worked hard to receive his Eagle rank.

I would like to submit some personal notes on Kevan Morgan. He exemplifies the qualities future leaders of our country will need. He has maintained a 4.0 (out of possible 4.0) grade point average while participating in many Mead Junior High School activities. Kevan has participated in the Drama Department, managed for the wrestling, basketball, and track teams, and played in the Symphonic Band (the school's most advanced band). Kevan was also recently nominated as a candidate for the Order of the Arrow, by the other scouts in the troop.

It is our hope that you will recognize Kevan for his outstanding achievement in becoming an Eagle Scout. You may return any correspondence to my home address and I will personally see that Kevan receives your acknowledgement. My home address is [redacted]

[redacted] Thank you in advance, for your consideration of this matter.
